

**YOU ARE WELCOME
AT GOOD SHEPHERD!**

**“A Small Church
With A Huge Heart!”**

**Count Yourself and Your Family
Into the Good Shepherd Family!**

Our Christian and non-Christian neighbors from the community are **welcome** to worship with us, as well as Lutherans from every syndical background. We strive to be a true house of the Lord **where all can hear the Gospel of salvation in Jesus** and draw closer to Him.

Worship is a vital part of our shared faith life. We work at making it relevant and full of stimulating variety. Worshiper participation is welcomed (choir, lay readers, drama).

We also want to bring **children** to the Lord: Each Sunday service has a Youth Sermon, as well as available youth activity pages. A combined Sunday school is held at 10:30 am each Sunday. Our numbers are small, yet children are treasured!

Sunday and weekday Bible studies are a regular part of our fellow-ship. Join in! Good Shepherd members are deeply involved in **community service projects** and use such as **witness and welcoming opportunities**. We also provide **worship opportunities for community shut-ins with a weekly DVD distribution ministry**. If you desire to volunteer and make a difference in the community, the Good Shepherd Family can help you find a way.

What is the Good Shepherd Family? **It is a faith community where you can live and enrich your relationship with the Lord Jesus and others**, as well as invite your friends to find a warm welcome also.
